~~Force Outboard Motor Parts by Engine Model~~

For Force outboards less than 90-horsepower, the ID tag is found on the outboard engine's mounting bracket, where the outboard mounts to the stern of the vessel. The ID tag is best viewed when the outboard is tilted up, out of the water. On Force outboards over 90-horsepower, the ID tag is normally found inside the engine hood, the outboard's removable top cover.

An outboard repair manual is a guide to both the service and repair of outboard motors. These guides are not always accessible to the general public and are instead produced for dealerships of outboard motors. Once an outboard motor has come out of warranty coverage most owners will bring a motor in for service or repair. However, having access to an outboard repair manual can be extremely ...
