Trove

The Mitsubishi 380 is a mid-size car that was produced between 2005 and 2008 by Mitsubishi Motors Australia. Available only as a sedan, it marked the end of Australian production by the Japanese manufacturer. The 380, given the model designation DB, was the successor to the Mitsubishi Magna/Verada line of vehicles first introduced in 1985 (and 1991 for the Verada) but was only available as a sedan.
