2013 Polaris Ranger® XP® 900 Reviews, Prices, and Specs

2013 Polaris Ranger XP 900
Features Let's start with
the ProStar engine. Similar
to the engine one would find
in the RZR XP 900 (a
performance Polaris ATV),
the Ranger's engine is crazy
powerful—it achieves top
speed at a whopping 60
maximum horsepower, which is
pretty good for an ATV of
this size.
