A Matter of Interpretation: Federal Courts and the Law ...

A Matter of Interpretation demonstrates both the attraction of Scalia's "textualist" theory and his qualities as a judicial statesman. It consists of Scalia's lecture by that title, along with responses by Laurence Tribe and Ronald Dworkin and essays by Gordon Wood and Mary Ann Glendon. (The book also contains Scalia's reply to his critics.)

A Matter of Interpretation: Federal Courts and the Law ...

A matter of interpretation: federal courts and the law: an essay. Antonin Scalia, Amy Gutmann. In what may be the most important and timely law book of recent times, Justice Scalia takes aim at the debilitating disease of judicial lawmaking and offers a vigorous explication and defense of textualism and originalism, the twin pillars of his own jurisprudence.

A matter of interpretation: federal courts and the law: an ...

A Matter of Interpretation: Federal Courts and the Law ...

Justice Scalia offers a powerful critique of this popular idea that judicial interpretation should be guided by legislative intent. a government of laws, not of men, means that the unexpressed intent of legislators must not bind citizens.

A Matter of Interpretation: Federal Courts and the Law ...

Eschewing the judicial lawmaking that is the essence of common law, judges should interpret statutes and regulations by focusing on the text itself. Scalia then extends this principle to constitutional law. He proposes that we abandon the notion of an everchanging Constitution and pay attention to the Constitution ' s original meaning.

A Matter of Interpretation: Federal Courts and the Law by ...

A Matter of Interpretation demonstrates both the attraction of Scalia's 'textualist' theory and his qualities as a judicial statesman. . . [His] elegant essay, the most concise and accessible presentation of his views, argues eloquently that judicial authority can only be based on the statutory or constitutional text.

A Matter of Interpretation: Federal Courts and the Law ...

It would have been absurd to argue that the entire federal judiciary would come crashing down because of it. Sometimes a provision of law has no function other than implementing the provision found to be unconstitutional, so as a matter of statutory interpretation a court may decide that the rest of the law is pointless without the ...
