Apr 11, 2019 - Through my camera I bare my soul, emtions and heart. I believe a photographer sees the world in colors know one elses sees. They say there are people that have two characters or personalities. I don't believe I do, I am authenic through and through. What you see isn't what you get but what you get to know is what you get.

Picture books are constructed from signatures. Pages are laid out and printed together on large sheets, which are cut in half (giving 4 sides), then half again (8 sides), then folded, making a bundle of 16 pages called a "signature". Many picture books consist of two signatures sewn together, resulting in a 32 page book.
