Academic Advising Approaches: Strategies That Teach ...

The practice of strengths-based advising requires a set of tools, skills, and strategies that advisors can acquire through a variety of training opportunities. Strengths-based advising is primarily a philosophical approach, and although instruments may be helpful in the process, it does not require the use of specific measures.

Academic Advising Approaches: Strategies That Teach ...

Strong academic advising has been found to be a key contributor to student persistence (Center for Public Education, 2012), and many are expected to play an advising role, including academic, career, and faculty advisors; counselors; tutors; and student affairs staff. Yet there is little training on how to do so. Various advising strategies exist, each of which has its own proponents. To serve ...
