An audiobook (or a talking book) is a recording of a book or

Download Free Audiobook

other work being read out loud. A reading of the complete text is described as "unabridged", while readings of a shorter version are an abridgement. Spoken audio has been available in schools and public libraries and to a lesser extent in music shops since the 1930s.

Free Audiobooks on Audible

An audiobook is a recording that is primarily of the spoken word as opposed to music. While it is often based on a recording of commercially available printed material, this is not always the case. It was not intended to be

Download Free Audiobook

descriptive of the word "book" but is rather a recorded spoken program in its own right and not necessarily an audio version of a book.
