It has been slightly modified by moving the apostrophe in Bluejackets' from the plural possessive to the singular possessive—i.e., Bluejacket's—position. This change was made because the original 1902 edition was entitled *The Bluejacket's Manual*. For reasons unknown today, the title was changed sometime after the First World War and remained that way for many decades. A return to the ...

United States Navy personnel. First issued in 1902 to teach new recruits about naval procedures and life and offer a reference for active sailors, it has become the "bible" for Navy personnel, providing information about a wide range of Navy topics. The current version, issued in 2017, is the 25th Edition and is given to all enlistees.
