Boundaries in an Overconnected World: Setting Limits to Preserve Your Focus, Privacy, Relationships, and Sanity by Anne Katherine. Over the past decade, 24/7 connectivity has given us not only convenience and fun but worries about privacy, interruptions while working or trying to enjoy family or other downtime, and new compulsions — from shopping to tweeting and cute-cat watching.

Boundaries in an Overconnected World by Katherine, Anne ...

Boundaries in an Overconnected World is a thought-provoking read centering about how we can 'unplug' from the world around us and not become overwhelmed by the media and screens that surround us. This is a great book for parents who want to think through how to limit the time their kids spend connected and how to go about setting appropriate boundaries.
