British Gas UP2 I have a UP2 controller but no manual. I believe this has a 5/2 day program enabling the weekend setting to be different to the weekdays. I can see how to change the heating and hot water settings but not how to change to the weekend program. On the date setting it changes from y:14 to what looks like an n:02 I think this should be m for month, then d:25 being the day of the month.
