Provincializing Europe: postcolonial thought and ...

This concept underpins his key theme, provincializing Europe, which entails returning Europe to its rightful place as one world region amongst many, without the privilege that it has continued to hold in academic circles; that is, Europe should no longer be considered as the template for modernity, as it is only one expression of this transition.

Book Review: Dipesh Chakrabarty's Provincializing Europe ...

Dipesh Chakrabarty, Provincializing Europe --I have more detailed notes and extensive quotations from the Introduction and Chapter One; ask me if you want any of those citations. I got kind of lazy after that, and skipped Part Two (Ch. 5-8) because it's pretty superfluous in terms of Theory.

strong reading: Dipesh Chakrabarty, Provincializing Europe

"provincializing Europe" is the experience of political modernity in a country like India. European thought has a contradictory relationship to such an instance of political modernity. It is both indispensable and inade quate in helping us to think through the various life practices that constitute the political and the historical in India.

The Idea of Provincializing - Princeton University

Dipesh Chakrabarty, the author of Provincialising Europe, whose meditations on the limits of Western notions of modernity and history are impelled by Benjamin but who also has the word 'postcolonial' in his subtitle, was born in Calcutta.
