By Paul Frymer Uneasy Alliances~~

Uneasy Alliances is a powerful challenge to how we think about the relationship between race, political parties, and American democracy. While scholars frequently claim that the need to win elections makes government officials responsive to any and all voters, Paul Frymer shows that not all groups are treated equally; politicians spend most of their time and resources on white swing voters — to the detriment of the African American community.

Analysis Of Paul Frymer's Uneasy Alliances. 2638 Words 11 Pages. Show More. " We the people of the United States..." so starts our Constitution. And what an eclectic and motley group of people we are. So it is that the framers of the pre-eminent law of our land saw fit to build rules into our democratic game of government that would protect us all from a simple majority formed from any group conveniently aligned hell bent on having things their way at the expense of the current majority.
