~~Civilization and Its Discontents Study Guide | Literature---~~

The division between ego, superego, and id is a central one in Freud’s work, and it extends beyond Civilization and Its Discontents into other examinations of dreams and the psyche, or the lower layers of the mind. For Freud, this triangle of deep desire, outward self, and internal regulation provides all the tensions and forces necessary to explain the complexities of the mind.

~~Civilization and Its Discontents Chapter 1 Summary---~~

According to Freud, men exhibit three main coping mechanisms to counter their experience of suffering in the world: 1) deflection of pain and disappointment (through planned distractions); 2) substitutive satisfactions (mainly through the replacement of reality by art); 3) intoxicating substances.
