This is a test of reading skills. Students will be asked to read a prose or non-fiction extract and answer different types of questions relating to what they have read. The extract will be about a page in length and there will be around 5-10 questions. Some questions will ask for straight-forward answers (retrieval style questions) while other questions will require students to think more deeply (infer and deduce) about what they have read and respond with an opinion or comment.
