I. 1947 – 1959: Options after Independence, the Evolution of Contemporary Indian Architecture. Independence in 1947 brought forth a bewildering range of problems, opportunities, expectations and dreams. The partition of the country caused a refugee problem that involved millions of families. All eyes were on a newly formed people and its leaders as the nation settled down to doing what had to be done to set the wheels of development in motion.

After the Indus Valley Civilization, there are few traces of Indian architecture, which probably mostly used wood, or brick which has been recycled, until around the time of the Maurya Empire, from 322 to 185 BCE. From this period for several centuries onwards, much the best remains are of Indian rock-cut architecture, mostly Buddhist, and

Contemporary Architecture (1950-1960) Indian Context

Modern Indian Architecture. Immediately after the independence of India, the Modernism swept through the new buildings constructed to meet the new needs such as for schools, government buildings, housing for the poor, urban renewal, and new capital cities of various states. Collaboration with internationally renowned architects created distinctive design innovations that blended modernist and Indian style.

used within numerous stylistic developments, following the spirit of the day. Starting with the efforts made by Europeans in the 1920s, the idea of “ modern architecture ” as a revolutionary and innovative force started to make cautious headway in India in the early 1930s.

The development of Modernist architecture in India – The ...
Contemporary Indian art matches the cultural and ideological diversity of the nation, and thanks to rapid globalization is becoming increasingly visible in the international art world. Subodh Gupta 's often-monumental installations link the realities of life in northern India with the broader forces of urbanization and globalization, while Zarina makes intimate works on paper that engage with the violent partition of India and Pakistan, as well as her own dislocation from home.

INDIAN ARCHITECTURE Introduction The architecture of India includes present day India, Pakistan, Bangladesh and Sri Lanka.

These countries later on got separated by political boundaries but, still share a common cultural heritage. The diversity of Indian culture is represented in its architecture. Indian architecture comprises a blend of ancient and varied native traditions, with building types, forms and technologies from west, central Asia, and Europe. 2

history of indian architecture - SlideShare

Today, it would be a mistake to interpret contemporary Indian architecture as a surrender to pure Western modernism. Indian architecture, as it evolved during the 70 ' s and beyond, is the synthesis of external influences and internal explorations and innovations. This spirit could be best summarized in the words of Nehru:
