Executive Summary. In January 2020, the Committee for Economic Development of The Conference Board (CED) embarked on this 2020 election project, releasing monthly Solutions Briefs that have been updated to address the dramatic impact of the COVID-19 pandemic and are compiled in this Compendium. Our objective is to analyze the most important business and economic issues and detail a bipartisan road map that could address the American crisis of confidence in capitalism and make capitalism ...

Sustaining Capitalism: 2020 Election Series | Committee ...

The essential features of the general crisis of capitalism are listed in the Program of the CPSU: "The breaking away from capitalism of a growing number of countries; the weakening of imperialist positions in the economic competition with socialism; the breakup of the imperialist colonial system; the intensification of imperialist contradictions with the development of state-monopoly capitalism and the growth of militarism; the mounting internal instability and decay of the capitalist ...
