referring to those sensations.

Breathing, Support and Estill Model | The
Voice Explained

The first level is the Estill Figure Proficiency (EFP), awarded to individuals who can effectively demonstrate the basic options for voice control taught in Level One and Two courses. It is a skill-based oral exam that tests your vocal control similar to the way an oral interview may test your fluency in a language.

Is Estill Voice Training® For You? | Estill
Voice Training

Estill Voice is an incredible system that isolates individual muscles associated with the voice and identifies how they affect your overall sound. For example, tilting your cricoid produces a heavy belt sound, a dropped velum produces nasality, and a narrowed aryepiglottic sphincter produces twang.
