Holmes's central argument in Fictions of Affliction asserts that "Victorian discourses of disability, and the texts that con Holmes analyzes emotionally extreme depictions of common disabilities in Victorian fiction, examines gender divisions among these depictions, then follows melodramatic disabled types into memoir and nonfiction.

Fictions of Affliction: Physical Disability in Victorian ...
Martha Stoddard Holmes's Fictions of Affliction is a book that should revolutionize the way that disability studies scholars approach literature. Rather than simply using Victorian texts to reiterate the stock thesis that literary characters with disabilities are rarely rounded or realistic—a statement that, while frequently true, no longer requires much critical insight—Holmes seeks to show us what is specifically Victorian about the way that disability has been construed in fiction.
