Having just started in 2018, Gogokid is one of the new kids on the block when it comes to online teaching. Their focus is on teaching young learners in China and they accomplish this by employing native English speakers to teach 25-minute lessons to students one-on-one. They have been on a massive hiring spree and this guide will provide an overview of what to expect from the application process, payment system, and teaching platform if you are considering applying.

Parents Guide To Support - School anxiety and refusal

Chip Kidd is "the closest thing to a rock star" in the design world (USA Today), and in *Go* he explains not just the elements of design, including form, line, color, scale, typography, and more, but most important, how to use those elements in creative ways. Like putting the word "go" on a stop sign, *Go* is all about shaking things up—and kids will love its playful spirit and belief that the world looks better when you look at it differently.
