Heir of Fire is split between a few different stories. Celaena is on her way to Wendlyn to meet Queen of the Fae, Maeve but must first embark on some training (basically mastering her Fae side) with task master, and gorgeous Fae, Rowan (with some new evil nasties thrown in to battle). This branch of the story I found really interesting.

What happened in Heir of Fire? (Throne of Glass #3)

I'm not sure what to say about Heir of Fire. Perhaps I don't need to say anything beyond: it took me months to read it. And I am the kind of crazy passionate reader that finishes good books in a day or two. It's been a while since a book took me longer than a week to read. So basically: I liked but had issues with Throne of Glass.
