HOSTILE ENVIRONMENT

AWARENESS TRAINING (HEAT)

COURSE* . DRAFT COURSE

PROGRAMME. *This course

Access Free Hostile Environment Awareness Training Heat Simulation

concept, based on the proposal drafted by the International Training Programme for Conflict Management (ITPCM) of the Scuola Superiore Sant'Anna, Pisa, has benefitted from the comments of several

Access Free Hostile Environment Awareness

ENTRI partners and EU
institutions.

~~HOSTILE ENVIRONMENT
AWARENESS TRAINING (HEAT)
COURSE*~~

Hostile Environment
Awareness training (HEAT) is

Access Free Hostile Environment Awareness Training Heat Simulation

a form of high fidelity
stress exposure training
that combines theory with
high-stress and highly
realistic simulation
training.

~~HEAT training | NRC~~

Access Free Hostile Environment Awareness

Our Hostile Environment
Training Courses combine
both theoretical and
practical elements which are
delivered by current and
competent professionals.
Whether working, travelling
to or even living abroad,

Access Free Hostile Environment Awareness

employers have a duty of care to ensure that their staff have the knowledge and tools to deal with the unique challenges and risks they may face.

~~International Travel Safety~~

Access Free Hostile Environment Awareness ~~Training Heat Simulation~~

~~Training UK~~

Hostile Environment

Awareness Training (HEAT)

NGOs often work in complex
and dangerous environments.

Organizations must prepare
their workers to operate

Access Free Hostile Environment Awareness Training Heat Simulation

safely and react appropriately to incidents. Multi-day, in-residence programs with realistic exercises ensures that when an incident occurs, they'll be ready.
