30 E-Learning Book How Customers Think Essential Insights...

-Gerald Zaltman, in How Customers Think. This is a basic premise of almost everything we write about here at Neuromarketing – that customers generally can't understand or explain why they make choices in the marketplace, and that efforts to tease out that information by asking them questions are doomed to failure. Furthermore, marketing efforts based mostly on customer statements and self-reports of their experiences, preferences, and intentions are likely equally doomed.

How Customers Think - Neuromarketing

Essential Insights Into the Mind of the Market HOW CUSTOMERS THINK THE SUMMARY IN BRIEF Every marketing manager wants to understand what consumers are thinking. But between the mind of the consumer and the predispositions and biases in the mind of the manager, advertising campaigns frequently don't achieve their intended goal.

Essential Insights Into the Mind of the Market HOW...

"It's a handy and thought-provoking, if not essential, book for modern marketers." -- Harvey Schachter, Globe and Mail, May 7, 2003 "The book describes some important, recent knowledge about how customers think, feel, remember, and construct their realities." -- Marketing Management, July 8, 2003

How Customers Think: Essential Insights into the Mind of...

• First, the customer hears and fully comprehends that a firm's offerings merit a purchase. • Second, the company hears and fully under-stands the customers' deepest thoughts and strongest yearnings. Without listening carefully and systematically to customers, marketers can't develop effective strategies. As for customers, the more

How Customers Think

We also learn how the minds of marketers can distort their perceptions of customer's responses. It becomes clear that not only do we need to understand how customers think, but how we as marketers think. In this book we learn some important facts about buyers and their thinking: 1. Consumers don't think in well-reasoned, linear ways. 2.
