Many leisure activities, however enjoyable they may be, expose us to a growing list of pathogenic microbes, some new and many increasingly resistant to current therapies. In response, the fourth edition of *Infections of Leisure* has been thoroughly updated with the latest infectious threats, treatments, and preventive measures. In addition, three new chapters have been added to help

Defining leisure, play, and recreation provides us as leisure professionals with a strong foundation for the programs, services, and facilities that we provide. While we might disagree on the standard definition of leisure, play, or recreation, we are all concerned with providing an experience for participants.
