An international non-governmental organization (INGO) extends the concept of a non-governmental organization (NGO) to an international scope. NGOs are independent of governments and can be seen as two types, advocacy NGOs, which aim to influence governments with a specific goal, and operational NGOs, which provide services.

INGO

Ingo is a masculine given name in contemporary Scandinavia and Germany, and a historical name in France. It is the male version of the name Inga, used in the same region. It means "protected by Yngvi ", who is the main god for the Ingvaeones, and is probably a different name for the Germanic god Freyr.

Ingo is a delightful story full of beautiful and serene imagery as well as magic. Its a childrens book, yes, but it captured my attention and Im very glad to have come across it. Its about an eleven-year-old girl and her older brother who lose their father one day when he takes out his boat and disappears.
