~~Inventing our Selves: Psychology, Power, and Personhood ---~~

In Inventing Our Selves: Psychology, Power, and Personhood, Rose questions some of our contemporary certainties about the kinds of people we take ourselves to be, with the aim of helping to develop alternative ways in which we might begin to think of ourselves. He problematizes our contemporary regime of the self by examining some of the processes through which this regulative ideal of the self has been invented.
