I. Overview. Hispanics are transforming the nation's religious landscape, especially the Catholic Church, not only because of their growing numbers but also because they are practicing a distinctive form of Christianity. Religious expressions associated with the pentecostal and charismatic movements are a key attribute of worship for Hispanics in all the major religious traditions – far more so than among non-Latinos.

Catholic Church in Latin America - Wikipedia

When Christopher Columbus arrived in America, the Catholic Church moved quickly to establish its control in the newly discovered territory. In 1493, just one year after Columbus's famous voyage, Pope Alexander VI published a bull dividing the new territory between Spain and Portugal—provided the natives were converted to Catholicism. As Hernán Cortés tore through the Aztec Empire, he ...
