Flashcards | Quizlet

Managing employee performance is one of the key drivers for organizational success in the present context of firms trying to adopt a resource centered view of the organizational.

We have seen elsewhere that integrating HRM practices with those of organizational goals and

Read Book

Managing

strategy increases the competitive advantages for the firm.

environment. Recall

from Chapter 1 that

organizing is defined as

the process of creating

an organization's

structure. That process

is important and serves

many purposes (see

Exhibit 5-1). The

challenge for managers

is to design an

organizational structure
