Nursing Restorative Care Plans - orrisrestaurant.com

Restorative nursing is the long-term care of residents in our skilled nursing facilities, or nursing homes. Restorative nursing helps to maintain the progress made in other therapies including physical, occupational, and speech. A plan is put into place by the resident's therapist, and the restorative aid will assist in the implementation of that plan. As its name suggests, restorative nursing helps your loved one restore his or her faculties.
