~~Patient-Centred IVF: Bioethics and Care in a Dutch Clinic ...~~
Through the ethnographic study of a single clinic in this national context,Patient-Centred IVF examines how this particular form of medicine, aiming to empower its patients, co-shapes the experiences, views and decisions of those using these technologies. Gerrits contends that to understand the use of reproductive technologies in practice and the complexity of processes of medicalization, we need to go beyond 'easy assumptions' about the hegemony of biomedicine and the expected impact of ...

~~BERGHAHN BOOKS : Patient-Centred IVF: Bioethics And Care ...~~
The book Patient-Centred IVF: Bioethics and Care in a Dutch Clinic promises to put patients centre stage, and it certainly does. From the first to the last pages, medical anthropologist Trudie Gerrits carefully builds her analysis of the narratives and lived experiences of patients attending the Radboud Clinic, where Gerrits conducted long-term fieldwork in the Netherlands.
