Marxists, communists, socialists and anarchists argue that liberal democracy under capitalist ideology is constitutively class-based and therefore can never be democratic or participatory. It is referred to as bourgeois democracy because ultimately politicians fight only for the rights of the bourgeoisie.

Liberal democracy - Wikipedia

Liberal democracy and populism are both ideologies/political approaches committed to the idea of popular sovereignty, which appeal "the people" and support the rights of the individuals over "the elite" or those who are more powerful than the ordinary people. Despite that, both these concepts rely on incompatible conceptualizations of the people and as a consequence, they manifest antagonistic and contradictory understandings of the concept of democracy.
