Winning and Losing

Photography Competitions.

Competitions aren't for

everyone. There are a small

number of winners and there

are an awful lot of losers.

Since we're not meant to use

that word in the PC times we

now live in I'd better

qualify what I mean. I think

it's true to say that these

days people are more

sensitive to what they ...

Like anything else in photography, follow the rule of thirds. Divide your frame into a grid like the one you see in the image above, then place your subject on one of the intersections to create balance in your photo. If you're having a hard time imagining the lines, you can switch on the grids on your camera screen to help you compose.
