### Powertech Battery Charger Manual

The charger includes PC connectivity and temperature sensing, in addition to the large LCD and pushbutton controls. Suitable for Li-Po, Li-Fe, Li-ion lithium packs, as well as NiMH/NiCd packs. An integrated discharge function can also perform as an auto charge/discharge cycle to help condition your batteries (especially useful for NiCd packs).

### Universal Professional Balance Charger/Discharger | Jaycar ...

This charger uses either the supplied 240 volt AC mains cable or a 2 amp 12v DC switch mode power supply, or a 5 amp 12V DC switch mode power supply. There is a selection of different charge plugs to suit various applications. To use the 2.5 mm Futaba type plug requires the supplied cables being joined together. Red to Red and Black to Black.
