For Oxfam, global citizenship is all about encouraging young people to develop the knowledge, skills and values they need to engage with the world. And it's about the belief that we can all make a difference. Education for global citizenship is not an additional subject - it's a framework for learning, reaching beyond school to the wider community. It can be promoted in class through the ...

What is Global Citizenship? | Oxfam GB

Global citizenship education is a form of civic learning that involves students' active participation in projects that address global issues of a social, political, economic, or environmental nature. The two main elements of GCE are 'global consciousness'; the moral or ethical aspect of global issues, and 'global competencies', or skills meant to enable learners to participate in changing and developing the world. The promotion of GCE was a response by governments and NGOs to the emergence of su
