Planners have tended to blame the problems of so-called 'strategic planning' on a set of 'pitfalls'—notably the lack of top management support and organizational climates not congenial to planning. But planning may well have discouraged the very support its proponents claim to need, and its itself may have generated climates uncongenial to effective strategy making.

By Doug Williamson on August 19, 2018 Comments Off on Rethinking Strategic Planning. It is time for a major shift in the way leaders and their organizations go about the process of creating their business strategy. How business leaders evaluate the landscape, make sense of the environment, proactively shape the opportunities they see and then decide on which course of action to take – in other words, Strategic Planning – deserves far closer attention than it has received so far.

~~Rethinking Strategic Planning—Troy Medie~~

H. Igor Ansoff was the prominent reference in the corporate strategy field, especially during the 1960s and 1970s. His bestseller, Corporate Strategy, was the first to give a conceptual framework and a tool box to top managers, consultants and scholars. Recognized as the real pioneer of the field, he was seen by Henry Mintzberg as also the leader of the strategic planning school.
