The Sea of Sorrows, originally called the Bay of Sirens, is an inland sea surrounded by Kryta, the Shiverpeak Mountains, and the Maguuma Jungle. To the south of the sea lies the Strait of Malchor, which leads into the Unending Ocean. The sea is the main trade route between Kryta and other countries that is taken by the Xunlai Guild and merchants . The ruined kingdom of Orr now lies within the sea.

Out of the Guild Wars 2 books released thus far, Sea of Sorrows was by far my favorite. While the book itself covers decades of history concerning Cobiah Marriner and the re-building of Lion's Arch, it does so at a good pace. There's lots of action, humor, suspense, emotion, and intrigue woven within.

The Sea of Sorrows is a sea surrounded by Kryta, the Southern Shiverpeaks, the Tarnished Coast, Orr, and the Strait of Malchor. When the kingdom of Orr sank in the Cataclysm, the region saw a huge upswing in shipwrecks.

Sea of Sorrows, written by Ree Soesbee, is the third and final novel to bridge the time between the original game series and Guild Wars 2. The plot focuses on Zhaitan 's awakening and its effects on Tyria, including the flooding of Lion's Arch.

Sea of Sorrows is the tale of Cobiah Marriner, the founder of Lion's Arch. This book is perfectly serviceable and pretty entertaining. If you like GW2 and want more lore, more Tyria references, and more information on the timeline between GW1 and GW2, you will not be disappointed in this book.

Sea of Sorrows by Ree Soesbee is perhaps the best of the three Guild Wars novels. I was already familiar with the Guild Wars franchise, having played both games before reading this book. Therefore, I am writing this review with the assumption that potential readers know at least a bit about the lore of Guild Wars.

The previous guild wars books were epic scale, grandiose adventures aimed at exploring a world, and developing its mythologies. "Sea of Sorrows" has its fair share of adventure, but really shines for its touching, small-scale approach. Most fantasy books focus on one adventure.

Kryta and the Sea of Sorrows Since Claw Island - which is also located in the Sea of Sorrows - counts for the Kryta explorer achievement. I would suggest to moch the new zone to Kryta and declare the See of Sorrows a sub-region of Kryta.
