I may have come across a number of stories alleging how these targeted sanctions – largely travel restrictions, as well as financial and asset freezes, on 142 top officials and entities accused of involvement in state sponsored violence and gross human rights abuses mainly against opponents of the government and ruling party, and electoral fraud, coupled with a ban on any transfer of defence items and services – were ostensibly affecting our business community and the country's economy ...

Zimbabweans divided over effects of targeted sanctions ...

These "targeted sanctions" were designed to be tightly-focused so as to limit their humanitarian impact. Indeed, all UN sanctions today are "targeted," and are in general grouped into three categories: sanctions targeted at individuals, those targeted at specific commodities, and those targeted at particular regions in a country. A major controversy has arisen over sanctions that directly name individuals.
