The Fashioned Body provides a wide-ranging and original overview of fashion and dress from an historical and sociological perspective. The book gives a clear summary of the theories surrounding the role and function of fashion in modern society, and examines how fashion plays a crucial role in the formation of modern identity through its articulation of the body, gender and sexuality.

Description. The Fashioned Body provides a wide-ranging and original overview of fashion and dress from an historical and sociological perspective. Where once fashion was seen as marginal, it has now entered into core economic discourse focused around ideas about ' cultural ' and ' creative ' work as a major driver of developed economies.

In chapters exploring the fashioned body within contexts such as queerness, veiling, blackness, pregnancy, fatness, and criminality, Revisiting the Gaze addresses intersectional debates in feminism and re-evaluates the concept of the gaze in light of recent social and political changes. With an interdisciplinary approach, bridging fashion and fine art, this book opens the door to discussions ...
