The Lowlands are, more than any other, the ecosystem where polar opposite food systems are so strikingly counterposed. On the one hand, monocultures and intensive operations; on the other, diversified, small-scale farms. Different scales, different production practices, different agricultural, economic and social systems. Many of these contrasts

The Land: Founding (Chaos Seeds, #1) by Aleron Kong

First of all, The Chaos Seeds series (and I am covering books 1-7 inclusively in this review) follows the life of Richter, as he is offered a journey to a new world, where game mechanics are the will of the Land. It's important to note that the game engine is both complex, and interesting; and as a person who enjoys data, and tables (although the kindle version of tables is a little bit

“The Land: Catacombs” is the fourth book in the well-crafted Chaos Seed Literary Role-Playing game (LitRPG) series written by Aleron Kong; said to be the father of the genre. As with the previously released audiobooks, this one is wonderfully narrated by Nick Podehl; who has grown to be one of my favorites to listen too.
