The Parents We Mean To Be How Well-Intentioned Adults Undermine Children's Moral and Emotional Development. by Richard Weisbourd

The Parents We Mean To Be : NPR

His new book 'The Parents We Mean To Be' argues that parents have a much greater influence on their children's moral lives than peers or popular culture. Serving as a Scoutmaster involves a fair amount of exposure to many different styles of parenting and I believe that Weisbourd's ideas form a solid approach.

The Parents We Mean To Be | Scoutmaster.org

In The Parents We Mean to Be: How Well-Intentioned Adults Undermine Children's Moral and Emotional Development, Weisbourd examines how, despite parents' best efforts to do what's best for their children, something is still missing. When parents are spending a considerable amount of time and money focusing on their children's happiness, success, and well-being, can they potentially be causing more harm than good?

The Parents We Mean to Be | Harvard Graduate School of ...

In "The Parents We Mean To Be (2009), Richard Weisbourd explores the fundamental truth that 'we' as adults are the 'primary influence on children's moral lives'. So, how is it feeling for our Pre-schoolers to Year 12, at the start of the school year: with a new set of adults adding to the central influence of parents?

The Parents We Mean To Be_ | details - Frensham School

Richard Weisbourd's book about modern parenting trends places the responsibility for kids' moral well-being squarely where it belongs -- on the parents. In his book, The Parents We Mean To Be: How Well-Intentioned Adults Undermine Children's Moral and Emotional Development, the lecturer at the Harvard Graduate School of Education talks about popular parenting techniques such as being "positive parents," focusing on self-esteem, and praising our kids excessively.
