The Untold History of the United States by Oliver Stone and Peter Kuznik is a continuation of efforts by people like Zinn and Loewen. Stone and Kuznik try to build a counter-narrative that acts as a sort of antidote to the traditional History Channel version of American back-patting. Picking up around the turn of the 20th Century this book tells a winding tale of American imperialism and domination that is elided in the mainstream version of events.

The Untold History of The United States by Oliver Stone

The Untold History of the United States is a collection of amazing archive footage, sometimes with the backing of dramatic music and narrated over by Stone himself. Each episode is crammed with so much information, names, dates, facts and figures that, as highly watchable as it is, it is almost too much to take in, in one sitting. Almost.
