Description: The Transactions of the Royal Historical Society, published continually since 1872, comprises the papers read before the leading learned society for historians in the United Kingdom. The papers cover all aspects of history and are generally more reflective and wide-ranging than the standard journal fare.

Transactions of the Royal Historical Society on JSTOR

RSTMH founded our flagship journal Transactions of the Royal Society of Tropical Medicine & Hygiene in 1908, a year after the society itself begun. In 2009 (a century later) RSTMH created a new journal called International Health to better support the growing areas of interest for our members and communities. Both journals offer a comprehensive range of multidisciplinary research and review papers, covering topics ranging from public health and infectious diseases to health economics ...
