### Uncertain Voyage

Uncertain Voyage is a mystery/spy story, but a much less action-based one than you might expect. The heart of the plot is in Melissa's personal struggles to overcome her doubts and

Uncertain Voyage by Gilman, Dorothy

An uncertain voyage. Barry Blundell looks at the ethics of computing as it progresses. 'It has become appallingly obvious that our technology has exceeded our humanity.' Albert Einstein. Recently I had the opportunity to present a course in ethical and professional issues to a computer science student audience. The lecture theatre gradually filled and clearly word had gone around - a course ...

A few of the books that have been like that for me are *The Thread that Binds the Bones*, *The Hourglass Door*, and *Uncertain Voyage*. The interesting thing is that sometimes it changes. I'll read something, then come back to it six months or six years later and I don't find that magic any longer. I don't know if I've ever written anything that does that for other people, but I'll get a ...
