“...the feminism of Visible Women is first and foremost a feminism that seeks to keep women visible, without succumbing to the simplicity of earlier versions of the subject. It is a feminism that is unapologetic in its focus on women, while at the same time, engaging critically with the category itself.

At the same time, it contains a more reflexive strand of argument about the intellectual resources available to feminist thinkers, and the advantages and dangers of borrowing from non-feminist traditions of thought. It thus provides an exceptionally rich examination of contemporary legal and political feminist theory. ... Visible Women: Essays ...
