### ?Volunteering and Communication on Apple Books

Studies confirm that texting is now the preferred method of communication over making phone calls. For nonprofits, the ability to send bulk texts to volunteers is invaluable. In a matter of seconds, an organization can relay important messages to its entire volunteer force.

### Communicating with Volunteers

Volunteering Alumni from the UNT Department of Communication Studies help build a COMMunity that provides insight and internships for students and networking events. We welcome our alumni to come back to UNT and volunteer their insight and time through the following opportunities:

### Volunteering | Communication Studies

Studies from the Journal of Gerontology indicate that social service improves elasticity in the brain. As volunteers age, they may be able to maintain the connections in their brains that often break down in Alzheimer's patients. Any social interaction can help delay or prevent Alzheimer's, and volunteering can be a fantastic way to do that.

### 15 Unexpected Benefits of Volunteering

Studies have found that those who volunteer have a lower mortality rate than those who do not. Older volunteers tend to walk more, find it easier to cope with everyday tasks, are less likely to develop high blood pressure, and have better thinking skills. Volunteering can also lessen symptoms of chronic pain and reduce the risk of heart disease.

### Volunteering and Communication: Studies from Multiple ...

Volunteering is associated with a number of positive health and wellbeing outcomes for individuals and communities. Formal volunteering refers to giving unpaid help through groups, clubs or organisations, whereas informal volunteering is about unpaid help given as an individual to people who are not relatives.

### LEEDS BECKETT UNIVERSITY

The probability of volunteering at age 50 was roughly equal for 23 year old volunteers and non-volunteers from a social class V background. However, for those from social class I households, the probability of volunteering at age 50 was more than doubled by volunteering at age 23.

### Volunteering and civic engagement: a virtuous circle, but ...

Let's be honest: volunteering gigs can be hard. Race stewards at a 10k might be outside for hours in all weathers. Homeless shelter volunteers might have conversations with guests that are emotionally challenging. Be very clear in your communications if volunteers can choose what they take on, or if you need them to carry out certain tasks.
