In child therapy, we need to learn to be creative and to work in a way that children can understand and engage with. Colouring books, paints, pencils, felt-tip pens, paper and modelling materials are found in the toolbox of most child and adolescent therapists, and can all help hold young people's attention.

Working with Children and Young People - Counselling Tutor

References made to 'child' and 'children' refer to children and young people under the age of 18 years. However, the principles of the document apply to professional behaviours towards all pupils, including those over the age of 18 years. 'Child' should therefore be read to mean any pupil at the education establishment.
