On the surface, the zombie seems the polar opposite of the human—they are the living dead; we, in essence, are the dying alive. But the zombie is also “us.”. Although decaying, it looks like us, dresses like us, and sometimes (if rarely) acts like us. In this volume, essays by scholars from a range of disciplines examine the zombie as a thematic presence in literature, film, video games, legal language, and philosophy, exploring topics including zombies and the environment, litigation ...

~~Zombies are us: essays on the humanity of the walking dead ...~~

Zombies are people who are "the other" who want to commit violence upon us. Zombies could also be an allegory for our fear about technology taking over our lives. For instance, in Steven King's novel, *The Cell*, a cell phone pulse puts everyone who hears it into a zombie-like state—initially enraged, but eventually enslaved, lacking any higher-order brain function.
